**ORDER No. GAD 26 ORR 59, DATED BANGALORE, THE 13TH MAY 1959**  
(VAISHAKHA 23, SAKA ERA 1881).

- With the Reorganisation of States and the formation of the new State of Mysore, the question of evolving a uniform policy in regard to reservation of

appointments and posts in favour of Backward Classes of citizens who, in the opinion of the State, are not adequately represented in the services under the State, has been under the active consideration of the Government. After careful consideration of all aspects of the question, the Government have come to the conclusion that the communities set down in the Annexure hereto are the other Backward Classes of citizens who, in the opinion of the State, are not adequately represented in the services of the State.

2. It is ordered that for direct recruitment to appointments and posts in the services of the State, reservation for Scheduled Castes and Scheduled Tribes be fixed at 15 per cent and 3 per cent respectively, and reservation for the other Backward Classes at 57 per cent. The rest of the appointments and posts shall be filled up on the basis of merit.

3. The proportions fixed in para 2 above shall also apply to posts to be filled by promotions by selection from non-Gazetted to Gazetted posts.

4. This order is in supersession of the Government Order No. GAD(OM) 46 GRR 57, dated the 4th February 1958.

By Order and in the name of the Governor of Mysore,

READ—

1. Government Order No. FD 1 SCR 59, dated the 6th January 1959.
2. Letter No. Bud 452, dated the 8th April 1959 from the Joint Director of Technical Education, Bangalore, addressed to the Secretary to Government, Education Department, Bangalore.

ORDER No. FD 1 SCR 59, DATED BANGALORE, THE 26TH MAY 1959.

According to the Government order dated 6th January 1959 quoted the Heads of the Institutions (except the Superintendents of Technical Schools) under the Joint Director of Technical Education have been authorised to draw funds on A. C. Bills for payment of contingent charges (including supplies and services) and to render N. D. C. bills once every month duly countersigned by the Joint Director. The Joint Director has now stated that this system of drawing funds on A. C. Bills is not working satisfactorily with the result that the Bills are accumulating in the Controlling Office on account of several irregularities. Consequently, there is an undue increase in the correspondence round. He therefore has suggested that the drawing of funds on A. C. Bills be restricted to the cases of extreme urgency and that in other cases, funds should be drawn only on countersigned D. C. Bills. In view of what is stated by the Joint Director of Technical Education, Government is pleased to direct that the Officers mentioned in para III (2) (regarding Contingent Bills) of Government Order No. FD. 1 SCR 59, dated 6th January 1959 should draw funds required for payment of contingent charges (including supplies and services) on contingent bills duly countersigned by the Joint Director of Technical Education before encashment. Government is further pleased to direct that in cases of extreme urgency, however, funds may be drawn on A. C. Bills (the same to be immediately reported to the Joint Director) and the Officers concerned to render N.D.C. Bills promptly every month before the due date to the Joint Director of Technical Education.
